A woman is seated in a plush, purple armchair. She is wearing a dark blue long-sleeved top, a maroon skirt, and dark blue tights. Her feet are clad in red high-heeled shoes with dark, chunky heels. She is holding a white folder or document in her lap. The setting appears to be a modern interior with dark wood flooring and a dark background.

Surroundings – no ‘business as usual’

Engelberg provides the ideal setting for hosting successful seminars in exceptional surroundings. With a population of 4,000 and an above-average infrastructure, the mountain village lies approx. 1,000 metres above sea level and is surrounded by a unique mountain landscape and nature – providing the perfect source of inspiration and creativity away from the hustle and busy of city life. Engelberg is a place that promotes team spirit, the ideal place for setting goals and developing strategies.

Workout

The mind and body unite to form a complete entity in need of nurturing. Engelberg offers numerous indoor and outdoor activities to clear your mind after a long day of meetings.

A sports park with indoor and outdoor tennis courts, an ice rink and a gym are all within close proximity. Sonnenberg baths are also just a few minutes' walk away and offer both an indoor and outdoor pool.

And thanks to our special arrangement with Sporthotel Eienwäldli, spa lovers will be in their element, too. The Eienwäldli boasts a spa complex of some 1,000 m² that comprises saunas, a steam bath, a rock pool bath, and massage and beauty treatments.

Team building

Traditional winter attractions include sledging or skiing as well as exceptional offers such as igloo or ice sculpture building.

Summer activities entail a visit to Mount Titlis, playing tiger and rabbit at golf, conquering one of the rope trails, fun and games in the rope park or trying your hand at being a real Alpine cheese-maker.

The sky is (virtually) the limit when it comes to arranging accompanying activities. We will be only too happy to help you put together a programme of activities and sort out the necessary details.

Supporting events

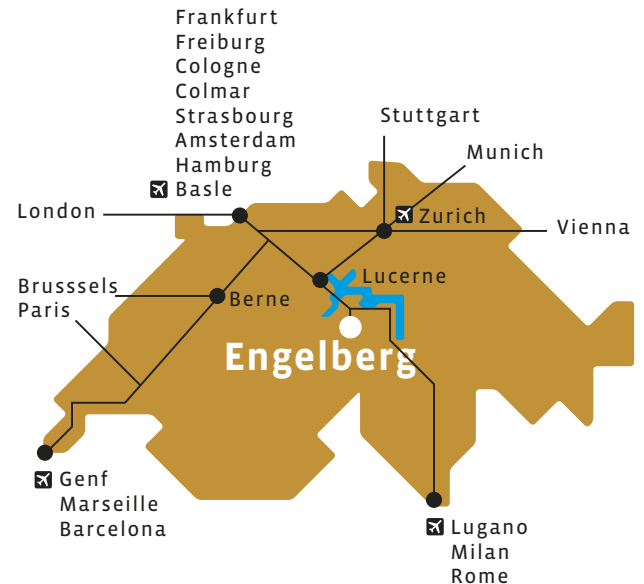

The evening events accompanying the seminars should be just as interesting and diverse as the topics on the agenda. We can show you which restaurants are perfect for an evening stroll and where to dine in rustic surroundings or enjoy the best regional specialities.

Accessibility and location

Situated in the heart of Switzerland, Engelberg is no more than a 90-minute drive from Zurich, Bern and Basle.

Hourly connections are available from Zürich Airport and EuroAirport Basel Airport to Lucerne, with links to Engelberg.

You will find us directly opposite the train station. Ample parking space is available at the hotel for those travelling by car.
